**About** Welcome to the Official CarSavers and Ziebart Philippines page where you can “like” us to engage with other CarSavers and Ziebart fans and get the latest info on automotive related products, services, promotions, maintenance tips and more. **Company Overview** In 1972, Bathala Marketing Industries, Inc. (BMII) was incorporated as the exclusive Philippine Master Franchise of Ziebart International Corp., of Detroit, Michigan, U.S.A. Our company is the pioneer and industry leader in automotive renewal (cleaning & detailing), protection (rust-proofing, paint & fabric protection) and preservation products and services for close to three decades. We have since then built and earned a solid reputation for excellence and reliable workmanship in the automotive after-market industry by providing car and truck owners the highest quality products and services. It is this reputation that led BMII to diversify and complement its services, with the introduction of its automotive repair and body shop services through CarSavers in 1981. The company continues to enhance this reputation through constant close supervision and inspection of highly trained, experienced technicians and the use of up-to-date techniques and equipment, the application of world quality standards learned from its Ziebart services, and an ingrained policy to continuously improve customer convenience and services with unique and innovative customer satisfaction programs. What began as a small, one-service (rust-proofing) shop then, has now grown to become one of the country’s largest and most trusted name. The Department of Trade and Industry has rated BMII a FIVE STAR automotive shop, the highest, for any automotive service shop. Today, BMII prides itself in offering the most complete line of automotive products and services under one roof, and leadership in actually providing customers the “friendly”-“personal”, (i.e. prompt, courteous and pleasant) service and values they expect from an industry leader. BMII uniquely has been TWICE awarded the INTERNATIONAL FRANCHISE ASSOCIATION’S Most Distinguished Achievement Award. As “Best of Ziebart” and as “Ziebart International Dealer of the Year”. (Winning over 500 competing franchise locations in over 40 countries! **Awards:** 2014 – Distinguished Achievement Award by the International Franchise Association 2013 – Recognition of 40 Years as a Ziebart Dealer by Ziebart International Corporation 2011 – Location of the Year Award by Ziebart International Corporation 2011 – International Outstanding Sales Achievement Award by Ziebart International Corporation 2011 – International Location of the Year Award by Ziebart International Corporation 2008 – Recognition of 35 Years as a Ziebart Dealer by Ziebart International Corporation 2006 – Location of the Year Award by Ziebart International Corporation 2003 – Recognition of 30 Years as a Ziebart Dealer by Ziebart International Corporation 1996 – International Outstanding Sales Achievement Award by Ziebart International Corporation 1993 – Distinguished Achievement Award by the International Franchise Association 1993 – Sales Excellence Award by Ziebart International Corporation 1975 – Distinguished Achievement Award by the International Franchise Association **Mission:** To be the country’s largest, best-liked provider of reliable automotive services and products through people who are: • Dependable • Convenience, and Employee/Customer-Satisfaction Oriented, and • Constantly Committed to Prompt, On-Time, No-Apology Deliveries.
